Who Knew?

The Robert Trent Golf Trail is regularly ranked by national magazines like *GOLF* and *Golf Digest* as some of the best and more affordable public golf anywhere in the country. Visitors who've been bitten by the golf bug are lucky: Three of the stops on the famed trail are within an hour's drive, and the Robert Trent Jones Capitol Hill Golf Course in Prattville is practically just a chip shot away.

Since 2007, some of the world's top golfers have descended on this course each fall to compete in the Navistar LPGA Classic. Past champions of this tournament include notable names like Katherine Hill (2010), Lorena Ochoa (2008 and 2009) and Maria Hjorth (2007). Golf stars fall on Alabama for the tournament again this year on September 12-18.
